Featured Infinitec Stops This Week

4 Ss of Note Taking with Technology

A recent tweet from Edutopia referred to an article reporting note taking with laptops is ineffective because students didn't synthesize the info they type - just transcribe it. Read this article for the 4 S perspective of using digital tools to Support students' acquisition of knowledge, to Save notes across devices, to Search for information and to Share learning.

The web-map on Infinitec to this free resources is:

Sign in to www.myinfinitec.org → on the home page → click on Resources on the top row of tabs → click on Organization/Study Skills on the left side of the page → click on Educational Enrichment on the drop down that appears → click on Study Skills in the secondary row of tabs at the top of the page → click on the name of the item in the body of the page.

Online Study Skills Workshops

These 4 online workshops include Time Management Strategies for Improving Academic Performance, Seven Strategies for Improving Test Performance, Increasing Textbook Reading Comprehension and Strategies for Improving Concentration and Memory.

MN Licensure Renewal Requirements

Minnesota has many areas of concentration required for the renewal of your teaching license. There are videos and materials on Infnitec that can assist you or other people in your district to meet those renewal hours. The videos have a short quiz available at the conclusion to show how many hours you have earned. You might want to have a group of people meet and discuss a video topic.

Licensure areas with materials available at this time: positive behavioral interventions; modifications for students with special needs in achieving standards; reading preparation; mental health; and technology.

Share the News:

Tell your district colleagues about MyInfnitec. This resource is too good to not share it!! And best of all, it's free!
