## **MN Licensure Renewal Requirements**

Minnesota has many areas of concentration required for the renewal of your teaching license. There are videos and materials on Infnitec that can assist you or other people in your district to meet those renewal hours. The videos have a short quiz available at the conclusion to show how many hours you have earned. You might want to have a group of people meet and discuss a video topic.

Licensure areas with materials available at this time: positive behavioral interventions; modifications for students with special needs in achieving standards; reading preparation; mental health; and technology.

## **Share the News:**

Tell your district colleagues about MyInfnitec. This resource is too good to not share it!! And best of all, it's free!
